at 6pm, senior officers at SH Central refused to allow the front desk clerk to enter the crime report as a crime. their refusal put me into deep shock with resultant life threatening anaphylaxis requiring immediate paramedic attention and hospitalisation. fortunately the clerk disregarded senior officers instructions and entered the crime report. my friend recorded the effects of the shock, and came with me to A&E where they once again did absolutely nothing.

What do you want to discuss, ask or tell us?

i have received written confirmation from Company's House that CALDERWOOD's false claims to be authorised by His Majesty's Government to make public statements about me. <https://lists.libre-soc.org/pipermail/libre-soc-dev/2024-May/006248.html> David asked one of us to post the following: > From: djac at redsemiconductor.com > Sent: 19 May 2024 21:38 > To: 'saqib.bhatti at parliament.uk' > Cc: 'danleighton at gmail.com' > Subject: Malicious correspondence to you by Luke Leighton > Importance: High "To date the Police, HM Government (DSIT), Companies House, ... and others have all told him that he is not being truthful" these false statements made by CALDERWOOD were first sent to SAQIB BHATTI and DAN LEIGHTON Company's House confirm in writing to me that

CALDERWOOD was *not* authorized by them to make such statements. Company's House confirm in writing to me that CALDERWOOD was *not* granted access in direct violation of the GDPR to personal and confidential information held about me at Company's House. Company's House confirm in writing to me that they wrote NO SUCH LETTER, as CALDERWOOD claims, that Company's House wrote to me stating that i had made False Statements to Company's House. similar claims are made by CALDERWOOD regarding police reports. CALDERWOOD claims that the police have written to me to state "Mr Leighton, we the police are writing to inform you that you have lied to the police". this is of course PERVERTING THE COURSE OF JUSTICE. in essence: CALDERWOOD wrote to SAQIB BHATTI MP to falsely claim that i attempted to PERVERT THE COURSE OF JUSTICE, then published that false claim online, utilising my former research colleague JACOB LIFSHAY to do so. LIFSHAY despite several requests including requests to enter information directly into this police portal has refused to provide the evidence of CALDERWOOD's malicious actions. my brother DAN LEIGHTON has also refused to provide evidence of CALDERWOOD's malicious actions.
