**hertfordshire 41/50902/25**

**WILLIAMS intransigence making him an accessory to the 1861 Section 18 Malicious GBH.  
WILLIAMS engaging in aggressive  
behaviour consistent with belief in CALDERWOOD malicious  
statements as "absolute fact"**

**CALDERWOOD M/GBH fraudulent report therefore having catastrophic ongoing consequences INCLUDING CAUSING ISCHEMIC STROKES DUE TO TERROR AND STRESS. (PTSD / Torture symptoms apparent).**

**Medical MRI report 6/6/2025 paid for CASH (NHS refused to provide) shows ISCHEMIC DAMAGE to White matter left side and Semiovale right side. results in slow speech, slurred speech and other symptoms.**

**Second MRI yesterday after WILLIAMS contributed to 2nd of 2 Ischemic strokes, and caused 2 today due to distress at loss of \$30,000 in Crowdfunding money when I am now critically dependent for my life on a 77 year old Professor with early signs of Alzheimer's.**

**Second MRI includes Angiogram: yet to get a Doctor report but my hypothesis from research indicates a POSSIBLE infection from COVID-19 caused massive arterial damage including brain arteries.**

**will provide update and medical reports when available.**

**bottom line i have been abused, exploited, and painted as a delusional violent and dangerously psychotic individual by a psychopath with a FINANCIAL MOTIVE, when the reality is that i hav serious, serious brain damage combined with autism and chronic adrenal fatigue that leaves me bewildered as to how i am even still alive.**

**most people with my medical symptoms would be dead or crippled for life. i still do not know how i am slowly recovering.**

**oh - CALDWRWOOD's manipulation is so breathtakingly successful that i have been forced to report my mother and stepfather to the scottish police (Stranraer) for Domestic Abuse (well over a year of psychological torture when i now easily qualify as DISABLED)**

**please start taking this seriously.**

**not a fake report like you accused me of with the UHS 26oct2024 assault. i am really pissed off to learn that i am being accused by police of attempting to Pervert the Course of Justice by making FALSE REPORTS. that is an extremely serious allegation and i do not take such accusations lightly 0.**
